HUBBLE.

Charlie Blanks is in from Indiana on a visit.

Cora is moving readily at \$2 in this community.

Higgins Alcorn lost another child from typhoid fever last week.

James Wilmot sold his farm on Dix river near here at \$47.50 per acre to J. H. Weaver and bought the Franklin Owsley farm of 85 acres on the Stanford and Lancaster pike at \$38. All dislike to give Mr. Wilmot up, but we are glad to say we are getting a good man in his place.

IN NEIGHBORING COUNTIES.

Mrs. Nancy Nunnally sued Willis G. Nunnally, her brother-in-law, for \$10,000, alleging slander. The case was tried in the Pulaski circuit court and a jury gave the plaintiff one cent and costs.

Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe, and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation, all yield to this perfect pill. 25c at Penny's drug store.

For Sale Privately.

EVERYBODY IS NOT A TAILOR!

Having been in the Tailoring business all my life I feel confident in saying I represent one of the best tailoring firms in the country. With my experience in taking measures, and directions I give, your clothes are bound to be satisfactory as my many patrons in this line will bear me out. My prices are the same as inexperienced men who are in the business. I also have a nice line of fancy chevrot and other suitings I will cut and make if you desire at a moderate price. Thanking you for past favors, I am, yours,

H. C. RUPLEY, the Tailor.

HIGHLAND.

Water is almost as scarce as money. Wm. Long got one of his feet considerably mangled while hauling logs.

Mr. J. C. Elder, who came from Illinois a few days ago and bought the Bryant place from T. W. Hutchison, is with his brother-in-law, N. L. Wright.

Colley's saw mill has not run for some time on account of having no water. He keeps hauling logs with the hope that it will rain some time this fall.

Eliza Goodpaster and Miss Erma Young were married on the 31st by Rev. J. M. Cook at the home of the bride's mother. They left yesterday for Mr. Goodpaster's home near Nicholasville.

Tim Hutchison has moved to the Bryant place and J. M. Adkins has moved to the Hutchison place. Messrs. James and Montgomery, of Mercer, and Mr. Conn, of Garrard, have moved in and taken possession of their places recently bought here. Ben Baugh will move to the H. P. Young place this week.

H. P. Young, one of our oldest citizens, died on the 25th, after an illness of two years of consumption, the last 14 months of which he was confined to his room from the effects of a dislocated hip. During his long illness he was never heard to murmur nor complain, but bore his sufferings patiently to the last. His remains were laid to rest in the burial ground at the Methodist church after funeral services conducted by the pastor, Rev. G. H. Cannon, assisted by Revs. J. M. Cook, John Godbey and George F. Thompson, of the Methodist church, and Elds. J. M. Long, Carr and Jones, of the Christian church, who also acted as pall bearers. H. B. Newell, of Ansel, Rev. George F. Thompson and wife, of Eubanks, Rev. John Godbey and wife, of Bethel Ridge, Mr. and Mrs. J. W. Long, of Gilberts Creek, C. M. Jones, of Maywood, and R. R. Ragan, of Preachersville, were present at the burial.

MATRIMONIAL.

L. J. Vanhook and Miss Bessie Baugh, both of the Highland section, were made one on the 2d.

Richard Murphy, aged 18, and Miss Lou Hutchison, 21, were married at Thomas Carter's Wednesday.

The marriage of Miss Lida, Arnold and Ben King was very quietly celebrated at the bride's residence. Wednesday afternoon at 2 o'clock, Elder F. M. Tindler officiating.

Thomas H. Collins and Miss Annie Neale Bennett, both of Richmond, surprised their friends by being quietly married. Rev. J. W. Crates, of the Methodist church, officiated.

Mr. R. L. Myers and Miss Bertha Dishon, both of Moreland, drove to Stanford Tuesday afternoon and were joined in wedlock's holy bonds by Rev. P. J. Ross at the Methodist parsonage.

The Shadyside Presbyterian church, of Pittsburg, one of the wealthiest churches in that city, has called Dr. J. Kinsey Smith, of the Fourth Avenue Presbyterian church, Louisville, to the pastorate.

Nathan McCamie and Miss Leona Yocum, of Dugansville, Mercer county, left home ostensibly to go out for a drive, and wound up by going to the residence of Rev. Mr. Johnson and getting married.

At the home of Mr. and Mrs. A. A. Barnes, in Knoxville, John W. Bates and Miss Lillie E. Miller, two well known young people of Somerset, were united in marriage by Rev. J. M. Richmond, pastor of the Fourth Presbyterian church.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it, but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of medicine. Try a 25 cent bottle of them. For sale by all druggists.

A traveler from the East shortly after leaving Kansas City, asked the porter how long it would be before the train emerged from the tunnel through which it was then passing. "Dis ain't no tunnel, sah," replied the porter. "We's jes' passin' fru de Kansas corn belt and de tall stalks shute out de sun. You won't see no mo' daylight foh 200 miles."

SHORTHAND AND BOOK-KEEPING.—Taught thoroughly by mail. Teachers can increase their earning capacity by taking a course. For information write J. W. Davis, 427 Madison Avenue, Covington, Ky.

Jesse R. Grant, youngest son of Gen. U. S. Grant, has declared for Judge Parker for president.

NEWS NOTES.

John Barling, a 14-year-old boy, was killed by a stray Halloween shot at Westfield, N. J.

Wilson Newman, a saw mill man, was caught in a belt at Midland City, and fatally mangled.

Attempts were made by incendiaries to destroy the Palace of Justice and the Palace of State in Milan, Italy.

W. A. Cannon, one of Lexington's best known merchants, died suddenly and unexpectedly of indigestion.

In response to demands by insurance companies, better fire service will be at once established at Mt. Sterling.

Within 15 hours four men were killed and a fifth mortally wounded in personal altercations in the Birmingham, Ala., district.

Five thousand coal miners have been thrown into idleness by the strike of bolting engineers in the Spring Valley coal fields of Illinois.

Fitting services in memory of the late Capt. Ed Porter Thompson were held at Frackfort in the hall of the House of Representatives.

Two persons who partook of pudding in a New York theatrical boarding house are dying from poison it contained. It is believed a wholesale poison was attempted.

William T. Richards, while tearing down an old chimney of a log house that was over 100 years old, on Quick's Run, Mason county, found a small tin box containing \$515 in gold.

Ten miners were being lowered into a shaft at Nanticoke, Pa., when the cage became unmanageable and dropped to the bottom, a distance of 700 feet. All the men were either crushed to death or drowned.

The court of appeals ruled that the State cannot recover on the bond of ex-Auditor Sweeney for money paid by him to the "Taylor militia." His action, it is held, was irregular, but in no wise prejudicial to the State.

One man was killed and 40 persons were injured by the explosion of a box of dynamite at Mt. Vernon, N. Y. The property loss is estimated at \$100,000. The dynamite was lying under a bridge where it was being used for blasting purposes.

Mrs. Susie Cox and Mrs. Sarah Shaw are dead through the mistake of Miss Fook, a nurse at the city hospital, in Indianapolis. The women were recovering from typhoid fever and the physician had instructed sterilized water to be administered them, but unsterilized water was used.

A reservoir of the municipal water-works plant at Winston-Salem, N. C., gave away, causing the loss of nine lives and the injury of several persons. Four teenement houses were washed several hundred yards by the torrent of water. Officials are investigating the cause of the accident.

Four bandits rode into Cody, Wyo., killed the cashier of a bank who refused their demand for money, and fled toward the famous Hole in the Wall with a big posse in pursuit. Buffalo Bill and a party of his scouts now on the way from Omaha in a special car will join in the chase of the outlaws when they arrive at Cody.

James H. Hendrix, a young man prominent in social and military circles in Montgomery, Ala., was killed on top of a bank building by a live electric light wire which he was trying to cut. A stick of dynamite and a set of burglar's tools which were found by his side indicate that he was endeavoring to gain access to the bank's safe for the purpose of robbing it.

Despite the fact that the census reports show that the Americans are steadily drifting toward vegetarianism, we are still the greatest meat eaters in the world. Our meat still costs us every year \$100,000,000 more than our vegetables, including imported vegetable foods. In the aggregate we Americans pay every year about \$2,250,000,000 for food, or about \$30 a year (for the raw food) for each person.

In addition to the foregoing it may interest you to know that among the meat foods the egg bill (\$143,300,000) is greater than that for any other item except cattle (\$432,900,000) and sheep (\$170,000,000), and that the bill for milk, butter and cheese (\$122,000,000), is nearly four times as large as that for fish, oysters and all other sea foods.—Pearson's Magazine.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Penny, druggist. Price 50c and \$1. Trial bottles free.

LANCASTER.

The lake contains plenty of water, but Manager Beasley is very careful with it.

Farmers in some parts of the county are hauling drinking and stock water four and five miles.

The railroad company has had a water plug placed in the stock pens, which is of inestimable value to shippers.

Much work is being done on the Rowland branch of the K. C. and we have good prospects of a better road bed.

Senator Geo. Farris, one of the best posted men on the road, predicts a landslide for democracy not only in Kentucky, but throughout the nation.

A number of Lancaster Old Fellows went to Paint Lick Saturday night to do some work, and report a most cordial reception and enjoyable time.

The local political "st" is beginning to sing a little, but not much steam is rising. The democrats are wide awake but if the republicans are doing anything it is on a still hunt.

Local fishermen have been bringing in some nice strings. The river is lower than older citizens have ever seen it, but there are some deep holes in it which will last for some time.

The democratic county committee passed suitable and appropriate resolutions in regard to the resignation of Judge M. D. Hughes as its secretary. Judge Hughes is a "wheel horse" in the party.

Mr. Miles, the republican candidate for Congress, made a Dr. Hunter visit to Lancaster last week. That is he "tipped" in and "tipped" out with that gum shoe, cat-like tread for which the 11th district sage is so well known.

Cattle are being sold at most any old price. Farmers have no water and they are forced to sell for what they can get. Quite a number of hogs are being shipped to Cincinnati. While the farmers would much rather wait awhile, yet the drought is forcing them to sell and ship now.

While "Mike" Elkin and "Took" Hubble are Lincoln county men, yet they have been in Garrard so much and are so extensively connected here that our people look upon them as home-folks. It will be a "hoss and hose" race between these two gentlemen in Garrard.

Rumor has it that both parties are ignoring the Battle Row floaters in the coming campaign. This is a good move. Now, if the people of Lancaster will refuse to contribute the usual amount of food and clothing this winter, these trifling men will have to go to work. Battle Row is a disgrace to civilization.

CHURCH MATTERS.

Rev. J. W. Hagin will preach at Walton's Opera House Sunday morning.

Elder J. G. Livingston will preach at Halls Gap church Sunday morning at 11 o'clock, instead of the second Sunday.

The meeting at Harmon's Lick closed Sunday with 25 additions. The preaching was done by Rev. Tye, of Williamsburg.

Elder J. G. Livingston preached the funerals of Miss Nevil Carson and Wm Reynolds at one time in the Christian church at Brodhead.

There have been 17 professions as the result of Rev. O. M. Huey's preaching at the Baptist church. The meeting will continue over Sunday.

The choice of a Bishop to succeed the late Bishop T. U. Dudley probably rests between the Rev. Dr. W. T. Maunling, of New York, and the Rev. Dr. Frank DuMoulin, of Chicago.

As a result of a meeting held at Freedom church, Rockcastle county, Rev. Thomas Smith baptized 29 converts Wednesday. The scarcity of water made it necessary to build a dam below two springs, and it took several days for the pool to fill up sufficiently to be used for baptismal purposes.

Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved and soon thereafter was entirely cured and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and general debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at Penny's drug store.

Why is it that some business men will howl about the beef trust, the oil trust, the steel trust and all other trusts except the most gigantic—the whiskey trust? But will walk into a barroom and without a grunt plank down the price of a pound of trust beef for a gulp of poison that costs the saloon keeper three cents. Truly this is a funny world.

E. C. WALTON

BEFORE another issue of this paper is printed the battle of the ballots will have been fought and let us all hope Parker, Davis, Cantrill and Gilbert elected. Most of the voters have made up their minds and arguments now will amount to little, but let us impress on every democrat the importance of voting. It is no secret that the republicans are using every power at their command to carry Lincoln county and unless every democratic voter does his duty they will do so. A few stay-at-homes might lose Lincoln to the enemy—don't let the calamity of it fall on your shoulders, but vote and see that your neighbor does likewise. It will take only an hour or so to drive to your precinct and you can well spare the time and trouble when there is so much at stake. Let us impress on your letting nothing prevent you from voting, but vote, vote early, and last but not least, vote under the rooster.

THE boss political liar has taken up his residence at Indianapolis and this is what he sends out: "Two or three men have volunteered to serve without compensation in each of the 3,300 voting precincts in Indiana Tuesday to bring out the vote. No money will be spent to influence voters."

"That there has been a great drift of public sentiment toward Judge Parker there is no doubt. The prospects are good and I firmly believe we will win," says W. F. Sheehan, chairman of the democratic National executive committee. So mote it be.

THE election next Tuesday will decide whether or not Negroes will continue to be denied in the White House. This is only one of the many important questions to be settled. Go to the polls and vote your sentiments.

PRESIDENT ROOSEVELT has issued a proclamation setting apart Thursday, November 24, as a day of Thanksgiving, but what Teddy will have to give thanks for we can't imagine.

THE gamblers say that Roosevelt is a sure winner, but the voters are for Parker. This being the case, there is little, if any, doubt about the result of Tuesday's election.

AN hour spent in going to your precinct and voting will be time well spent. Let nothing keep you from voting.

MANY predict a landslide next Tuesday. Let us all join in hoping that the slide will come our way.

POLITICAL.

Republicans made a futile attempt to break up the democratic rally in Newark, N. J., which was addressed by Judge Parker.

Vote, brother, vote.
Vote for certain,
Remember the rooster.

When you go behind the curtain.
The fact was made public that President Roosevelt was painfully injured by being thrown from his horse a week ago last Sunday.

A Wheeling dispatch says that the Standard Oil Co. has issued a hurry order for their employees to support the republican State ticket in West Virginia.

Senator Fairbanks has been discussing the wool question. He insists that a tariff on wool benefits the sheep raiser by increasing the price of wool, and in the next breath tells the workmen of the country that a tariff on woolen goods cheapens them. No wonder a sheep is afraid of man.—Bryan's Commoner.

Judge Parker delivered four speeches yesterday in Connecticut, speaking to large and enthusiastic gatherings. The principal address was made last night at Hartford, and the other meetings were held in Bridgeport, New Haven and Meriden. A feature of Judge Parker's address yesterday was his assertion that the Standard Oil Company was working in the interest of the republican party.

The old three decker Duke of Wellington, once the pride of the English Navy, is being broken up at Portsmouth. She was launched in 1852 and headed the fleet that went to the Baltic when war was declared against Russia in 1854. At that time she was the biggest man-of-war in the world, though her tonnage was only 6,071. But she carried 131 guns. "She can fire 300 shots a minute. What can stand up to her?" said a London paper. She was of wood, of course, and represented the produce of 70 acres of forest oak, reckoned at 40 oaks, 100 years old, to the acre.

MRS. JOSEPH E. CLAUNCH entertained the Chautauqua Circle on Thursday afternoon in honor of Mrs. Eben Porch, Mrs. Jesse Lynn, of Stanford, and Mrs. Logan Wood, of Danville, brides of the season. The decorations were in beautiful taste; the favors handpainted leaves of the forest. A feature of special interest was a book contest for pretty prizes, which were awarded to Mrs. Eben Porch and Mrs. W. A. Morrow. Miss Genevieve Porch served the coffee and Misses Jennie Lynn, of Stanford, sister of the hostess, and Marguerite Salter charmingly served the tables. No more beautiful and enjoyable function has occurred in the city the present season.—Somerset Journal

Chronic Diarrhoea Cured.

Mr. Walter Richardson, of Troutville, Va., had an attack of diarrhoea that came near ending his life. His physician had failed to relieve him and the disease had become chronic when he began using Chamberlain's Colic, Cholera and Diarrhoea Remedy. It soon cured him and he now recommends that preparation whenever an opportunity offers. For sale by all druggists.

Charles Green, aged 15, confessed that he assassinated his father, Milt Green, by shooting him through the window while he was eating supper at his home in Laurel county. Young Green is now in jail at London.

Here and There.

John K. Wilson is dead in Mercer, aged 85.

Rev. R. B. Mahony, of Stanford, preached last Sunday at Rockyford church.—Liberty News.

The four-year-old daughter of J. T. Stevens, of Red House, Madison county, fell into an open fireplace and was so badly burned that the child died in great agony.

Senator Beveridge says that under republican administration the American workman drinks three cups coffee to one that he drank under a democratic administration. Well, why not? He needs more stimulant to enable him to stand it, says Bryan's Commoner.

Dispatches from Che Foo assert that the Fall of Port Arthur is imminent. Detailed reports of the operations indicate that the Japanese are entering upon the last stage of the siege. Practically all the outlying defenses are said to be in their hands and they are confident of early victory.

As the climax of a religious wave set in motion by two weeks' service, in Atlanta, conducted by Dr. J. Wilbur Chapman, of New York, and 16 assistants, stores, offices, shops, factories and even saloons closed in the afternoon to permit workers in all walks of life to participate in "hour-of-prayer" services to be held in all the city churches and hundreds of homes. Such a thing is unprecedented in Georgia history.

A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin, Grove, Ill. It developed a stubborn ulcer, unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for burns, scalds, skin eruptions and piles. 25c at Penny's drug store.

THE SPEAKING.—Hon. George Denny, of Lexington, and Elector B. J. Bethurum, of Mt. Vernon, spoke to a large crowd at the Court-house yesterday afternoon and both are said to have made creditable speeches. Both efforts were free from vituperation, to the credit of the speakers be it said. Whether Messrs. Denny and Bethurum made any converts remains to be seen.

TO THE DEMOCRATS OF LINCOLN COUNTY.—I am no longer a candidate for the nomination for jailer. I thank my friends for their support while I was in the race. I now wish to announce that I am for the nominee, whoever he may be. J. C. Hayes.

By his many card elsewhere it will be seen that Mr. James C. Hayes has withdrawn from the race for jailer. A poll of the two Crab Orchard precincts was taken by friends of Mr. Hayes and Mr. W. I. Herrin and the latter getting a few more votes, Mr. Hayes withdrew from the contest. As stated in his card Mr. Hayes will cheerfully support the nominees of the December primary and as usual he will do his utmost to make Lincoln county go democratic. There are few if any better men than Mr. Hayes and the news of his withdrawal has caused both surprise and regret.

TWO DEAD.—As the result of the head-on collision between two freight trains a few miles this side of Livingston at 6 o'clock Wednesday morning, Thos. Lasley, an engineer, and Ernest Meikle, a fireman, are dead. Both engines and three cars were literally demolished. Meikle died at 11 o'clock and Lasley five hours later. It is claimed that the wreck was the result of Train Dispatcher Fish failing to cancel an order at Livingston at the same time he did at Sinks, a nearby station. Mr. Lasley was a son of Mrs. Annie Lasley, of this place, and was a splendid young man. He stood well with the company and by his gentlemanly manner he won the esteem of all who came in contact with him. Mr. Lasley was one of the youngest engineers on the road and was also one of the very best. A wife survives him, and in her loss great sympathy is felt for her, as well as for the parents and sister and brother. The remains were brought here yesterday afternoon and after appropriate services at the grave by Rev. J. W. Hagin, were consigned to mother earth. A large number of friends from Livingston accompanied them. Young Meikle was an exceedingly popular employee. He was only 23 years old and was unmarried. His remains were taken to Louisville for interment.

For nearly four years I suffered
from ovarian troubles. The doctor
insisted on an operation as the
only way to get well. I, however,
strongly objected to an operation.
My husband felt disheartened as
well as I, for home with a sick
woman is a disconsolate place at
best. A friendly druggist advised
him to get a bottle of Wine of
Cardui for me to try, and he did so.
I began to improve in a few days and
my recovery was very rapid. With-
in eighteen weeks I was another

MRS. CARLTON'S WONDERFUL

STORY.

Maine Woman's Thrilling Ex-
perience Duplicated in Stan-
ford.

There are scores of families in Stanford
and near by towns who will read with in-
terest the wonderful experience of Mrs.
A. L. Carlton, one of the best known women
in Rockland, Me. Mrs. Carlton says:
"I suffered with stomach trouble for eight
years, growing worse all the time. Three
of the best doctors in Maine diagnosed
my case as cancer of the stomach and de-
clared I could not live two months. Utterly
discouraged with their treatment, I
began using Mi-o-na and commenced to
gain at once. At this time, I was reduced
to almost skin and bones, as I had lost
nearly 100 pounds during my sickness,
but when I began to take Mi-o-na my
flesh was built up and I gained 22 1/2 lbs.
the first month. I have taken only six
packages of these wonderful tablets, but
my health is about restored and I firmly
believe that Mi-o-na saved my life.

Penny is local agent for Mi-o-na, which
sells for 50c a box, and offers it under a
personal guarantee that if it does not cure
the worst form of stomach trouble and
resulting disorders, the money will be re-
funded.

KINGSVILLE.

Mrs. Luther Gooch continues dan-
gerously ill. Mrs. Sarah Waters re-
turned Saturday from a visit to her sister,
Mrs. Cicero Reynolds. Miss Mag-
gie Love, of Stanford, is visiting her
mother Mrs. Elizabeth Peairs has re-
turned from a visit to relatives in Illi-
nois and is the guest of her daughter,
Mrs. John McKee.

The eloquent, soul-stirring speeches
by Hon. R. C. Warren and Wm. S.
Burch were attended Saturday evening
by a large crowd, which grew most en-
thusiastic. Hon. Geo. B. Saulley failed
to come. His friends gave as his
excuse that he had "broken his glasses."
We don't see how that could have
interfered with his making a
speech. We didn't want him to read
manuscript. He may have "looked
through a glass darkly." Some time,
however, he may have to meet his hear-
ers of this precinct face to face, if he
should become a candidate.

The prisoner looked at the dull, sod-
den faces of the jury men who had been
selected to try his case.

"Jedge," he said, "is that a jury of
my peers?"

"You may so consider them," replied
his honor. "That is the presumption
of the law."

"I'm guilty, jedge," said the prisoner,
drawing a long breath. "I'm the
feller that set the barn afire."

The Best Liniment.

"Chamberlain's Pain Balm is consid-
ered the best liniment on the market,"
write Post & Bliss, of Georgia, Vt. No
other liniment will heal a cut or bruise
so promptly. No other affords such quick
relief from rheumatic pains. No other is
so valuable for deep-seated pains like
lame back and pains in the chest. Give
this liniment a trial and become acquaint-
ed with its remarkable qualities and you
will never wish to be without it. For
sale by all druggists.

I desire to sell my farm of 245 acres on

veniences. I want to sell in next 30 days. I
also want to sell my stock consisting of 22
jennets, aged 1 and 2 years old, 2 jacks, 2
jack colts, seven mares and mules, 1 race

that have a little defect, but are good work-
ers; will sell them for \$100, if sold at once.

will do well to call at once and secure one
of the nicest and best located farms in the
county. I also have 50 bushels of good seed
rye for sale.

OFFICIAL CALL.

Democratic Primary Election
for County Officers, Sat-
urday, Dec. 3, '04.

A primary election is hereby called
on Saturday, December 3rd, 1904, in all
the voting precincts of Lincoln county at
the regular voting places between the
hours of 6 a. m. and 4 p. m. for the purpose
of selecting Democratic candidates for
Representative, County Judge, County
Attorney, County Clerk, Sheriff, Assessor,
School Superintendent, Jailer, Coroner,
Magistrate, Surveyor and Constable.

2. All democrats who are residents of
said county, and who are legal voters, or
who will be legal voters on November 7,
1905, are permitted to vote in their re-
spective precincts, and are invited and re-
quested to do so.

3. Every candidate, except candidates
for Surveyor, Coroner, Magistrate and
Constable, who desire to have his name
printed on the ballots to be used in said
primary must deposit with the Chairman
of the Committee, on or before 12 o'clock—
midnight—15 days before the date for
holding said primary, the sum of—
to be used in defraying the expenses of
holding said primary election, and at the
time of making said deposit each candi-
date must give written notice to said
Chairman that he desires to be a candi-
date at said election, and notice to the
Chairman shall be notice to the Commit-
tee.

4. In all those counties having cities
in which the law requires the registration
of voters, the Democratic Committee of
such counties, or the Chairman thereof,
is authorized and directed to cause the
names of democrats registered at the last
general registration, to be copied into sepa-
rate books, as is required by law.

5. Said election shall be held, in all
respects, as is required by law for holding
regular primary elections, and a uniform
ballot shall be used in every precinct; and
the Chairman of the Committee is hereby
authorized and directed to cause to be
printed, bound and distributed to the var-
ious precincts the ballots for each pre-
cinct. He is further directed to purchase
and distribute in each precinct the neces-
sary paraphernalia for holding said pri-
mary election.

6. The Democratic County Committee
shall appoint the officers in each precinct
to hold the election, and they are to be
selected from lists furnished by the candi-
dates at least 10 days before said election;
and to be as nearly equally divided as
possible as to Judges, Clerks and Sheriffs,
among the various candidates. The offi-
cers of said primary election will, when
the polls are closed, proceed at once to
count the votes cast for each person for
said office, and, after counting the votes,
they will return the ballots to the boxes,
sealing up the boxes, and the Sheriffs and
Judges of the election precincts will, with-
in two days thereafter, carry and deposit
the boxes with the Chairman of the County
Committee, at the court-house. The offi-
cers of the election at each precinct will
make a written statement of the num-
ber of votes cast for each person voted
for, for the said office, and will place said
statement in an envelope and deposit it in
the respective ballot boxes.

7. The precinct ballot-boxes and all
returns are to be made to the Chairman
the County Committee, and if he is not
in the county, to the Secretary of the
County Committee, at the Court-house,
in the time required by law, to-wit:
within two days after said election.

8. And on the next day after said re-
turns have been made, the County Com-
mittee shall meet and canvass the returns,
and certify the same.

9. The Secretary of this Committee is
directed to give public notice of this elec-
tion, as is required by law, and without
delay.

10. In the event there is a surplus re-
maining, after defraying the expenses of
said primary, it shall be returned to those
by whom it was paid in, in the same pro-
portion in which it was paid by them; and
if there should be a deficit, then the can-
didates nominated shall be assessed to
supply said deficit in proportion to their
assessment—for any office. Provided,
however, if no more than one candidate
shall have complied with the conditions
herein imposed by November 18, 1904,
then the Chairman of the Committee is
directed to reconvene the Committee, as-
soon thereafter as practicable, and to de-
clare such candidate the regular nominee
of the democratic party for said office,
and to issue to him a certificate of nomi-
nation.

11. The order of the ballot shall be as
follows: State Senator, Representative in
General Assembly, County Judge, County
Attorney, County Clerk, Sheriff, Assessor,
Jailer, School Superintendent, Coroner,
Surveyor, Magistrate and Constable. The
order of each candidate's name, who may
enter said primary, shall be determined
by lot.

The entrance fee for the various offices
are: Sheriff, \$30; Judge, \$20; Representa-
tive, \$10; Jailer, \$20; Assessor, \$20; Su-
perintendent, \$15; County Attorney, \$20;
County Clerk, \$20.
